

White Good Safety Tips

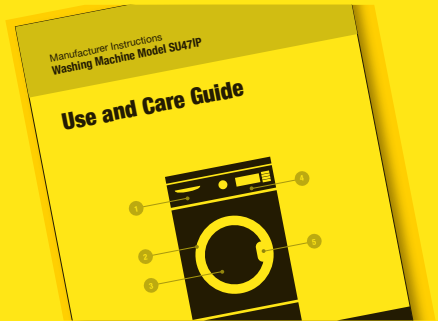

1. Don't leave your tumble dryer or washing machine running when you're out or asleep.

#doitnow

2. Always register your electrical appliances.

3. Always buy from a reputable retailer.

4. Always follow the manufacturer's instructions.

5. Defrost your Fridge Freezer at least once a year.

6. Give your oven a regular clean.

7. Any concerns? Check for a recall.

An easy guide to product registration #doitnow:

1

Note down the details.

i.e. the brand name; model; serial number
& date of purchase.

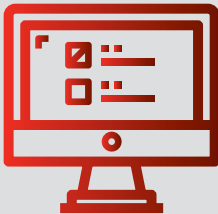

2

Open the manufacturer's website.

Search for 'Register'.

3

Fill in the form.

And you're done.
