

# OUR KEY STATISTICS FOR WALES

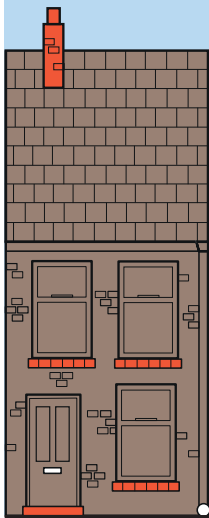

**Electrical**   
**Safety First**

The UK's electrical safety experts

# OUR KEY POLICY FOR **WALES**

1. Reducing the number of house fires caused by electricity
2. Protecting all households regardless of whether they rent or own their own homes from electrical fires
3. Introducing five yearly electrical safety checks in the Private Rented and Social Rented Sectors
4. Every household with a person over 80 to receive a free electrical safety check
5. A dedicated Electrical Safety Week and national media campaign to prevent electrical fires in Welsh homes
6. Ring-fenced funding to resolve electrical safety problems identified through Home Safety Visits for the most vulnerable households
